35,000 MEN - 96 EACH DAY (23 MILITARY) - DIE BY SUICIDE EVERY YEAR*

PLEASE JOIN US IN HELPING REDUCE THAT NUMBER

WE ARE: FACE IT

Leveraging the power of peer support, we work with men to confront the epidemic of suicide and help them cope with their depression and anxiety.

Face It is the only organization in Minnesota focused exclusively on providing free peer support for men dealing with depression through organized and structured activities. We also partner with Operation: 23 to Zero to provide free peer support to active and retired military.

In 2017 Face It will have provided over 5000 hours of FREE peer support for men in crisis through:

- > Men's support groups (currently 11 active groups)
- > Men's retreats
- > Monthly men's breakfast
- > Education and social activities
- > Online peer support
- > In person 1:1 peer support

Evidence shows that men typically will not seek support for their mental health needs. Face It has demonstrated over and over an ability to engage and KEEP men coming back for help.

It is only through our fundraising activities that we can continue our mission. Please join us in helping the men in your lives by becoming a sponsor in our 2018 golf fundraiser, *Alive at the Links*.
